We are Farmborough Good Neighbours, I am sure that you all know who we are and what we do.

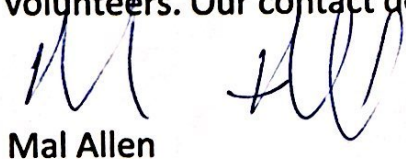

In the year 2024/2025, Farmborough Good Neighbours has provided approximately 100 lifts, transporting Farmborough residents to all of the usual places, The RUH, various doctor's surgeries and dentists, also we have provided a couple of trips to Southmead hospital, and the Sulis and Bath Clinics. This less than last but, I think we are still providing a valuable service to the residents of Farmborough Parish.

As usual Farmborough Good Neighbours would like to sign on more volunteer drivers, this is not an onerous task, they may be asked a couple of times a month if they are available to provide lifts.

I would like to thank the Parish Council for the grant towards our third party insurance, which this year 25/26 has cost £318

We have approximately £550 in our account, as I mentioned last year, this may seem a lot as we do not have many outgoing costs. However, it is prudent to have enough funds available to cover any insurance excess, if a claim were to be made against our insurance.

Thanks again to the Parish Council, and hoping to hear from any new volunteers. Our contact details can be found in The Flyer.
